## *In Adherence to...*

# CDC, STATE, & CITY GUIDELINES

- Proper disinfection occurs before, during, *and* after service.
- Face coverings must be worn at all times.
- Temperature checks will be performed before admittance into the church.
- All members/visitors must go through screening stations.
- Proper signage is posted throughout the church.
- Hand sanitizer stations are available throughout the church.
- Sanctuary doors will remain propped open to limit surface contact.
- Microphones cannot be shared.

# MEMBERSHIP

- Members with existing health challenges as well as children, *nine and under*, are encouraged to stay home for now.
- Staff, members, and visitors are discouraged from engaging in physical greetings (*e.g. handshakes, hugs, and similar greetings that erase physical distance*)
- Passing offering plates and similar items that move between people is discouraged.
